Project photographs / illustrations / renders / plans

Please assemble up to 10 images for this project. Images should be in JPEG format, a minimum of 1,000 x 1,000 pixels in size and their filenames should be descriptive and include photographer credits if necessary. Create a zip archive containing these images, making sure that you title it with the name of the project and your RIAS practice number (the large number on the first page of this form). Then email this zip archive to our designer, **mail@jonjardine.com**.
